At this role, you would be the main point of contact for the key global suppliers, coordinate the production plan with our manufacturing partner, as well as forecast and organize the shipment through 3PL solutions.

### Roles & Responsibilities:

- Keep the inventory level on our 3PL partners in Europe, the UK, and the USA based on demand forecasts and product life cycles;
- Order raw materials, components, and production supplies as well as ensure timely delivery to support production and shipping schedules;

- Forecast the raw materials, components, and supplies at required inventory levels according to main eCommerce events;
- Be responsible for purchase order accuracy regarding billed price and quantity;
- Partner with the external manufacturer as well as internal stakeholders to identify, organize, prioritize, and execute projects;
- Use data-driven approach to identify root cause problem areas and coordinate the corrective actions as well as find solutions for the optimization of the costs.

**Qualifications and education:**

- University degree in a related field
- At least 1 year of experience in supply-chain or procurement
- Advanced knowledge of Microsoft Excel
- Excellent data analysis and problem-solving skills
- Experience with the ERP systems is a plus
- Excellent written and spoken English and German

**We offer:**

- Opportunity to create, grow, and encourage
- Apart from a competitive salary pack (amongst which hospitalization insurance, group insurance, meal vouchers and other extra perks & benefits), there are lots of growth opportunities to meet your personal ambitions
- Flexible schedule and life work balance
- Responsibility for exciting and challenging projects that have a direct, visible impact on our customers and the industry
- Very positive work environment in a young, international, and motivated team

*Karo Pharma has a Diverse & Inclusive environment. We are looking for qualified candidates irrespective of gender, gender identity, sexual orientation, ethnicity, race, religion, national origin, disability or age.*
